siblings!*

Junior Adventure Group:

Extended afterschool club open for bookings junioradventuresgroup.co.uk

COMPETITION TIME!!

To support World Bee Day (20th May) we want pupils to inspire action to halt the decline of bumblebees. Pupils can design their own 'How can we Bee helpful?' poster, sharing their ideas on how we can help bumblebees. There will be ONE winner in the school, who will receive a badge and a T-Shirt. We will be handing out poster sheets from Monday 15th May - these are to be handed in by Thursday 18th May - Winner will be announced Friday 19th May.

Bumblebee Conservation Trust (BBCT) partnership

Pollinators like bumblebees are essential in the production of our food. Without them, we wouldn't have 30% of the food we eat today.

Chartwells has recently partnered with the Bumblebee Conservation Trust, an organisation which complements our passion for food, sustainability and education. The Trust aims to increase the number and distribution of bumblebees. That's why we are launching a year-long bumblebee campaign; **Bee Happy**, starting with the theme '**Bee the Hero**'. This theme runs through this term and we are providing materials to promote the importance of bumblebees and run a poster competition.
