13th March 2020

Dear Parents/Carers,

The government has now advised people to stay at home for 7 days if they have either:

- A high temperature
- A new, continuous cough

Please see this website for further NHS information:

<https://www.nhs.uk/conditions/coronavirus-covid-19>

Please also see this document for detailed advice on when needing to stay at home and how to manage this:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-people-with-confirmed-or-possible-coronavirus-covid-19-infection>

We are therefore writing to say that if your child develops symptoms, they need to stay at home for 7 days from the onset of their symptoms. Please let us know, as usual, if your son/daughter is needing to be absent from school.

Keeping you updated

Please be assured we continue to take advice from Public Health England, and if at any point they tell us there is a risk to our school community we will let you know as soon as we practically can.

Thank you for your ongoing support for the school and wider community.

Warm regards

Miss N Tranter

Co Headteacher
