# Some things you need to know:

- ▶ On your first day, come through the red gate and wait outside your classroom door to be greeted by your teacher - there will be members of staff to help direct you. Parents, please say goodbye to your children at the door, it will be easier and we will look after them!
- ▶ Bring your P.E. kit on your first day and we will keep them in school for the half term. They get sent home during the last week of each half term to be washed and returned on the first week of the next half term.
- ▶ Make sure that your child is able to manage their clothing, go to the toilet independently including wiping bottoms, and manage their shoes. We advise Velcro only.
- ▶ Label every item of clothing in P.E. kits as well as uniform, shoes, hats, water bottles etc.
- ▶ We know that both you and your children will be feeling nervous and anxious so it is important that you show them there is nothing to be afraid of and that the teachers are there to help them and make them feel comfortable and safe.
- ▶ Please bring a drawing of yourself to school in September to share with your teachers and new class.
