

Maths subtraction to 10 - use practical resources to show subtraction.

Bake Sale Subtraction within 10

I can subtract numbers within 10.

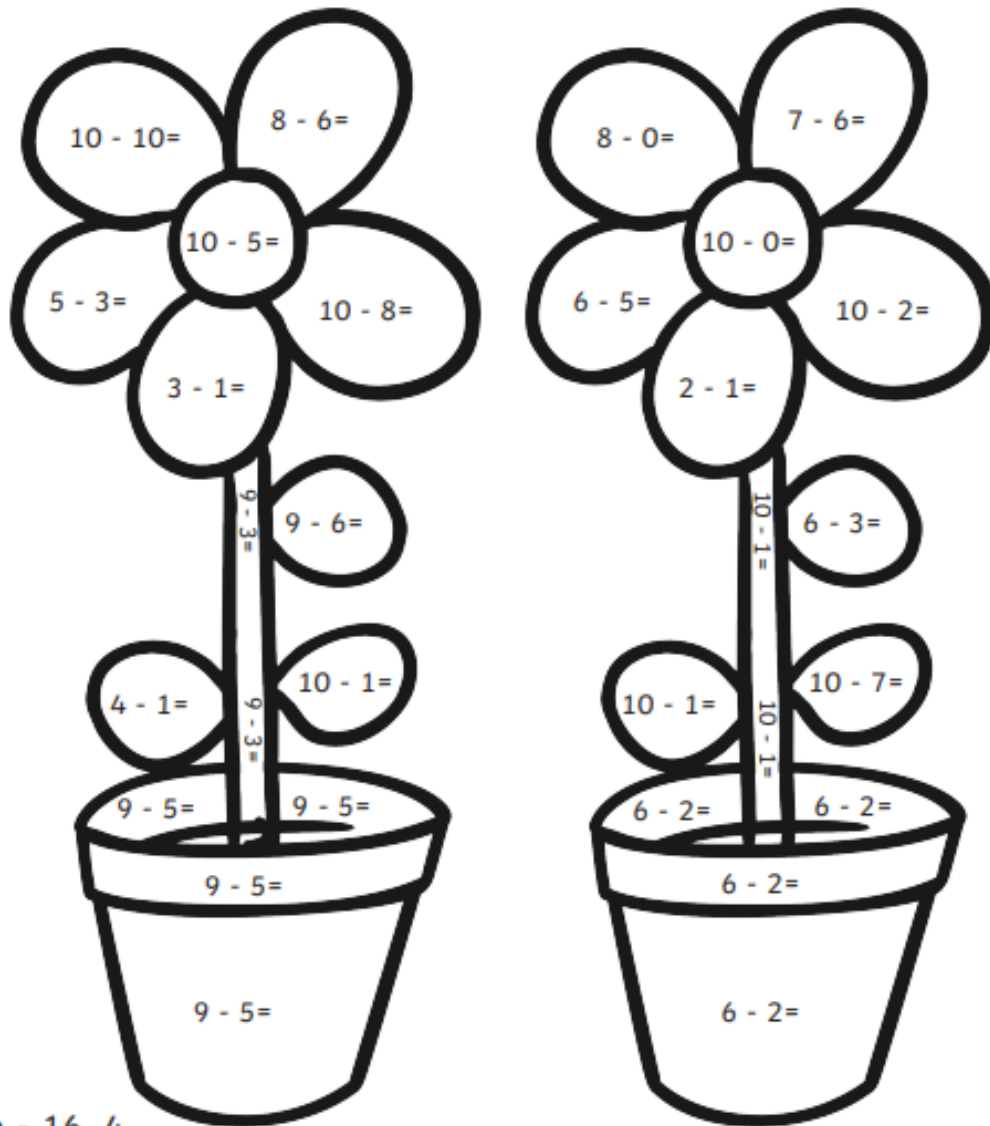

Pudsey Bear has baked lots of treats for a school bake sale to try and raise money for BBC Children in Need. They smell and look so delicious that he eats some. Calculate how many of each treat he has left.

Plants Colour by Number

Subtraction up to 10

Solve the calculations in the picture to work out what colours they should be!

Brown - 16, 4

Green - 3, 6, 9, 12, 15, 18

Orange - 5, 10

Red - 11, 14, 17, 20, 2

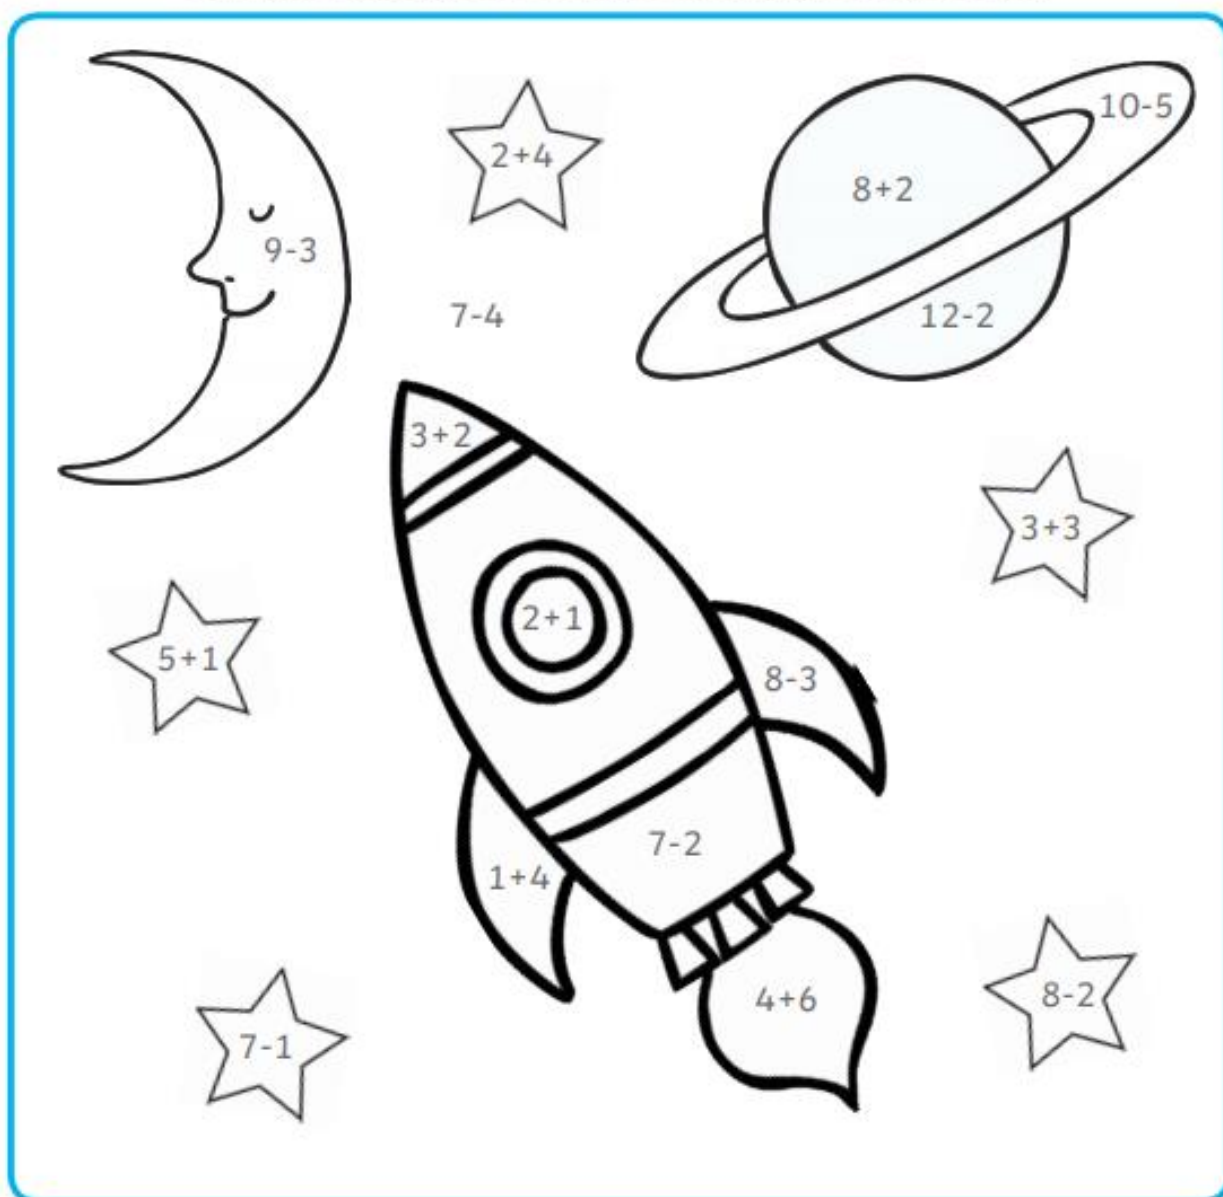

Yellow - 7, 19, 8, 0, 1

Space Addition and Subtraction Puzzle

Do you know which colours to use?

Subtract the numbers to find out which colour to use.

Literacy - This week we are looking at making up our own story. It is important for a story to contain a beginning, middle and end. Speak to your child about 2 different characters, ask them what happens in the beginning, middle and end. Make sure that they are using full sentences when speaking and to attempt writing it down.

Five Part Story Mountain

1. Opening

2. Build-up

3. Problem

4. Resolution

5. Ending

Can you orally make up a story by looking at this picture? Here are some things to consider:

Who is in the story?

Where is the story taking place?

What was the problem?

How was it solved?

What happened in the end?

Where does it come from?

Draw lines between each item of food and where it comes from.

This week we have been looking at where food comes from.
