

Home learning Week commencing: 5th October 2020

Maths:

- In maths we are learning about number 5 and 6. Talk to your child about the number, see how many things they can spot in groups of 6 and 5.
- Get your child to practise forming the numbers to 6.
- Use objects at home to find quantities of 5 and 6.

Phonics:

Talk about the letters i, n, m and d (one day at a time), is there anything at home that begin with the sounds that they are learning?

Practise writing the letters i, n, m and d.

Trace over these letters and then try writing your own.

Can you match the letter to its capital letter?

Draw a line between the pairs of letters.
