

Learning Can Be Messy

Playing outside is so important. I run and jump and get lots of fresh air. Sometimes I might get grass or mud on my clothes.

Using a knife and fork at lunchtime is tricky! Sometimes I get food on my clothes!

I sometimes get pen and paint on my clothes! This is because I am developing creative skills and exploring lots of different ways of making amazing art!

Our mud kitchen is so much fun! I use all my senses, which is so important for my development. It also helps me use my imagination and practise playing with my friends nicely!

Exploring in the water tray is giving me lots of maths and scientific skills! I love pouring, filling and emptying! I usually wear an apron but sometimes my clothes get wet!

Exploring with playdough and other messy play resources like foam or food, helps me to develop fine motor control and build up muscles and coordination in my hands and fingers. I will need these when I learn to write.

When I get messy, I have been showing curiosity, determination, persistence, imagination and confidence!
