It is with great sadness that we inform you of the passing of Carole Wright, former Children's Centre Manager.

The Governors and Staff are devastated and we are sure you will want join us in sending our sincere condolences to Carole's family.

Carole managed the Children's Centre for many years until early 2017. She was much loved and cared deeply about our community. After leaving the Children's Centre, Carole became one of our co-opted Governors and for the last three years supported us in making sure children at Cherry Lane get the best possible education.

As you would expect, the family are requesting privacy so when the time is right we will let you know how we plan to honour Carole's service to Cherry Lane and the community.

Rest in peace Carole.

### One-Way System

Please remember that there are two **Entrance Only** gates and two **Exit Only** gates on the premises. Please use the correct gates for entering and exiting the school site as this forms part of the safety measures we have put in place to try to keep everyone safe on the school grounds. Thank you once again for your support during these challenging times.

### National Lockdown – school update

As you will already be aware, England will be under new National Coronavirus Restrictions. During this time, the government have said that school will remain open. In light of this, we are making a few changes to enhance the safety of our school community. We ask for your support and cooperation with these new measures.

With immediate effect, please follow these measures:

- Parents / Carers coming onto the school site should wear a mask during drop off and pick up times, unless you are medically exempt from wearing one.
- Only speak to teachers / LSAs at drop off and pick up times if it is absolutely necessary. All other messages / queries should be made by email or phone and someone will get back to you. School staff will wear visors at their doors during drop off and pick up times.
- Limit conversations with other parents / carers and leave the site as soon as you have dropped off / picked up your children.

We would like to remind you of the other measures we already have in place:

- Use social distancing whilst waiting at arrival and collection times and moving around site.
- Use social distancing if you must talk to a member of staff at the beginning or end of the day.
- Only queue at the school gates at year group drop off and pick up time – if you arrive early please wait away from the gates eg. on the grass verge opposite.
- Stay on site, whilst still distancing from others, once your first child has been dropped off or picked up.
- Follow any one way systems on site eg. entrances and exits.
- Do not enter the school buildings, including the office unless it has been arranged with the school.
- Only one adult per family group can come onto site. Any other family members should wait outside the school site.
