Issue No 01 – W/E 16th September 2022

In this issue:

- Message from Head teacher
- Upcoming Dates
- Notices
- Super Stepper Winner
- Attendance Bear Awards
- Walking Bear Awards
- Polio Booster Vaccinations
- Term Dates

Welcome back

It has been lovely to see all of our pupils return from their summer break, all eager to see their peers and to restart their learning. A warm welcome to our new pupils and their families in Nursery, Reception and those who have also joined other year groups. Our new Reception children have settled in so well in just a couple of weeks. We are looking forward to an exciting first term for everyone in their classes.

Our start to the term has also been tinged with sadness at the sad news of the passing of our wonderful Queen last week. At Cherry Lane, we have been remembering her long reign in our classes. Our Key Stage 2 assembly focused on celebrating her long life and reign, as we remembered the fun activities and events we all took part in last summer for her Platinum Jubilee.

Rest in Peace Your Majesty and thank you for your service.

Miss Tranter

Upcoming Dates

School Photographs 10th and 11th October 2022

Week Commencing Monday 17th October parents evenings commence

Parent Welcome Meetings

We are holding meetings in order to give you an opportunity to meet your child's new teacher. The dates are as follows:

Reception – Thursday 22nd September at 2.45pm in the Upper Hall

Year 1 – Tuesday 20th September 9am in the Upper hall

Year 2 - Wednesday 21st September @ 9am in the Lower Hall

Year 3 – Wednesday 21st September at 3pm in the Lower Hall

Year 4 – Wednesday 14th September at 3pm in the Upper Hall

Year 5 – Friday 23rd September @ 3pm in the Upper Hall

Year 6 - Wednesday 21st September at 3pm in 6H classroom

**** MONDAY 19th SEPTEMBER SCHOOL IS CLOSED FOR A BANK HOLIDAY****

Parking

The office has received several calls in relation to inconsiderate parking. Please be mindful of our neighbours. We kindly ask you do not block driveways or park inconsiderately.

Raincoats

Sadly the weather is now starting to become a little wet and miserable so please ensure that your child brings a coat/waterproof jacket to school every day.

Medical Information

Please make sure Mrs. Ramsay has been updated with any changes to your child's medical condition.

Appointments

Please let the office know if you have a medical appointment for your child medical evidence will be requested.

**Super Stepper
Winners**

Attendance

Week Ending 09th September 2022

Reception – Rabbits 98%

KS1 – 1M 94%

KS2 – 6H 98%

WALKING BEAR AWARDS

Walking Bear

Week ending 09th September 2022

1st - 1TR

2nd - 2P

3rd - 2R

Polio Booster Vaccination Programme Information from School Nurse

Following the detection of polio virus in sewage samples taken from North and East London, the NHS is offering all 1-9 year olds in London a polio booster vaccination. For some children this may be an extra dose of polio vaccine, on top of their routine vaccinations. In other children it may just bring them up to date.

Polio is an infection caused by a virus that attacks the nervous system – it can cause permanent paralysis of muscles. Because of the success of the polio vaccination programme, there have been no cases of natural polio infection in the UK since 1984. By giving an extra polio vaccine dose, this will boost each child's protection.

Find more information about polio, its symptoms, and vaccinations by visiting www.nhs.uk/conditions/polio/

You can read the information leaflet by visiting:

www.gov.uk/government/publications/polio-booster-campaign-resources

Getting Vaccinated

The polio vaccine is safe and effective. The best way to prevent polio is to make sure parents/carers and children are up to date with their vaccinations. The vaccine is given as part of a combined jab to babies, toddlers, and teenagers as part of the NHS routine childhood vaccination schedule.

It's given when the child is:

- 8, 12 and 16 weeks old as part of the 6-in-1 vaccine
- 3 years and 4 months old as part of the 4-in-1 (DTaP/IPV) pre-school booster
- 14 years old as part of the 3-in-1 (Td/IPV) teenage booster

You will need to have all these vaccinations to be fully vaccinated against polio.

The NHS in London has contacted parents to come forward for a booster or catch-up polio dose - parents should take up the offer as soon as possible.

Where can you get vaccinated?

Parents in North West London have been contacted by the NHS to ask them to book an appointment. Parents should take up the offer as soon as possible.

Parents and guardians can check their child's red book or can speak to their General Practitioner (GP) if they are unsure if their child has received this vaccine.

If you are not yet registered with a GP, details on how to find and register with a GP can be found at GP services by visiting www.nhs.uk/nhs-services/gps

GPs treat all common medical conditions and provide immunisations to adults and children.

Children aged between 1 and 4

Parents with children aged between 1 and 4 are being offered an appointment at their GP practice.

Children aged between 5 and 9

Parents with children aged between 5 and 9 years old can use the following link to book a vaccination appointment for your child: www.nwlondonics.nhs.uk/polio or they can be vaccinated at their GP practice

It is important to come forward for the Polio booster as soon as possible.

We are working on increasing the number of sites offering the polio vaccine across North West London - more vaccination clinics will be opening soon.

Frequently asked questions about the polio vaccination programme for children can be found by visiting:

www.nwlondonics.nhs.uk/application/files/3616/6298/4714/20220811_Public_facing_polio_QA_FINAL_2.0.docx
