School's Out for
Easter!

Mrs Perez will be leaving us at the end of this term after working at Cherry Lane for 28 years.

Over the years she has held a range of posts, including class teacher, maths coordinator, modern foreign language coordinator and most recently intervention teacher.

We thank her for her dedication to Cherry Lane pupils over the years and wish her all the best for the future.

Congratulations to Mrs Robins who has given birth to a healthy baby boy

Unattended Children

Other than Year 6 it is unacceptable to leave your child/children unattended in the school playground or outside their classroom before they go into class in the mornings. You **MUST** stay with them until their Teacher has them lining up. We have had numerous sightings of children left on their own in the playground. This is not only a health and safety issue but also a safeguarding concern.

FREE
Super Hero school
meals for every
child in reception
and years 1 & 2

We engage
with children
through fun
food activities.

Since September 2014, children in reception and years 1 & 2 are entitled to **FREE school meals** through the Government's 'Universal Infant Free School Meals' initiative.

So who are we? We're Chartwells and are responsible for preparing your children's tasty meals. We love to help children discover and learn about the food they eat, where it comes from and how it's prepared. It's great fun for them and us!

*This saving will depend on the cost of a meal at your school.

Lovingly prepared,
tasty and nutritious

Cherry Lane School: Whole School commitment to Young Carers and their families

At Cherry Lane School we are committed to developing provision for young carers and their families, so that they can attend school, enjoy their learning and fully participate in all areas of school life. We are committed to overcoming barriers to learning and help raise attendance and attainment of young carers.

A young carer is any young person who helps look after someone in their family – this may be due to illness, disability, mental health problems or an addiction. Statistics show that there are likely to be young carers in every school; one in ten young carers are under ten years old.

At Cherry Lane School we will capture the commitment by widening our provision, building on the needs of the young people and better meet young carers' needs by reviewing Cherry Lane School's provision for young carers, with a view to ultimately achieving best practice.

How we will achieve this:

- The whole school is committed to meeting the needs of young carers so that they can attend and enjoy school in the same way as other pupils/students and achieve their potential.
- The school has a designated Young Carers' School Lead and a Young Carers' Operational Lead, who are responsible for young carers and their families. Pupils and families will be made aware of the identity of this lead and how to contact them to access support.
- The school only shares information with professionals and agencies on a need to know basis in order to support pupils and their families.
- The school uses Pupil Premium funding to minimise any barriers to education and learning experienced by eligible young carers.
- The school has an effective referral system and strong partnership in place with relevant external agencies, including the school nurse and the local young carers' service.
- The school takes a proactive approach to identifying young carers.
- The school reduces barriers to education and learning and supports the wellbeing of young carers.
- The school understands the needs of families of young carers.
- The school will actively seek feedback and ideas from young carers and their families to shape and improve support.

We will strive to achieve best practice for pupils and families in our school in order to provide them with the best chance of success in their future.

At Cherry Lane School our Young Carers Lead is Miss Tranter and Miss Whiting is our Young Carers Operational Lead. **If you think your child may be a young carer, please contact them via admin@cherrylane.hillingdon.sch to discuss any help or support we can offer our young carers and their families.**
