### **FSM Entitlement**

Since September 2014 all children who are in Reception, Year 1 or Year 2 in a state-funded school have been entitled to a free healthy school lunch. The Government is giving money to schools to help children from lower income families do their very best. This funding is called 'Pupil Premium'.

Registering for free meals could raise an extra £1,300 for Cherry Lane Primary School, to fund valuable support like extra tuition, additional teaching staff or after school activities.

During the current pandemic, some parents may have become eligible but not know - it is therefore important to sign up for free school meals, even if your child is in Reception, Year 1 or Year 2, so that Cherry Lane Primary School receives as much funding as possible and your family receives as much support as possible during these challenging times.

### **Year 2's moving into Year 3**

From September all Year 2 children moving into Year 3 will have to pay for their school lunches. The cost of the school meals are £2 per day and will have to be booked in the normal way via Parentpay.

**[If your child is eligible for Free School Meals or you are unsure as to whether they are entitled to Free School Meals please click on the link below \(or copy and paste it to your browser\) and submit the form as soon as possible.](#)**

After you have submitted the form, via the link, we will run the check on your behalf and the school office will telephone you to confirm if you are eligible or not eligible for Free School Meals.

### **PGL UPDATE**

## DO YOU WANT TO HAVE A SAY ON THE FUTURE OF YOUR CHILD'S SCHOOL?

25<sup>th</sup> June 2021

Dear Parents / Carers,

I am writing to inform you that there is a vacancy for the role of Parent Governor on our Governing Body so we are inviting interested parents of Cherry Lane to apply.

### The role of the Governing Body

Our Governing Body are passionate about education and are committed to continuous school improvement to ensure the best possible outcomes for the pupils at Cherry Lane.

### The role of a Parent Governor

As a Parent Governor, you will work with the Governing Body to ensure it effectively carries out the duties referred to above. You will also play a vital role in ensuring that the board is connected with, and is aware of the views of, parents and the local community.

To be a Parent Governor you should have:

- A strong commitment and dedication to the role, with a focus on improving outcomes for all children
- Good inter-personal skills and a willingness to contribute at meetings
- The specific skills required to ensure the governing board delivers effective governance

### Expectations of governors

- Attendance at meetings every half term (*currently these are virtual meetings via Zoom*)
- Maintaining confidentiality
- Commitment to attend Governor training
- Visiting the school on 'guidance learning walks'

### How to apply

If you're interested in applying for the role or would like more information, please email or call the School Office for a governor information pack and application form. Application forms must be returned by **Friday 2<sup>nd</sup> July 2021.**

If we receive more than the one application, a ballot will be held. We will inform you closer to the time if we have to do this.

## Classes for September 2021

Unfortunately, due to Covid restrictions still being in place, our year 6 pupils will be unable to visit their new secondary schools on the agreed transition day next week. This day is usually the day the rest of the school go to visit their new teacher for next year. As year 6 will still be in school we will be unable to send pupils off to meet their new teacher in their new classroom altogether.

Therefore, during next week, each teacher will be arranging to visit their new classes in their current classrooms to introduce themselves and get to know them. LSAs will also make arrangements to visit too.
