Dear Children,

I want to wish you all a wonderful summer break. I hope you all have a brilliant time. This has been a challenging year by having to learn from home, stay in bubbles and self-isolate, if needed. I want you to know how immensely proud your Teacher's and I are of you all. You have been so resilient and have adapted to all the measures we have put in place to keep you safe.

We are looking forward to relaxing some of our rules in September so that we can do more of the things we haven't been able to do this year eg. class assemblies etc.

Happy Summer Holidays!!

From Miss Tranter

Dear Parents,

Thank you for your support and understanding during this very challenging year. I really have appreciated the way you have adapted to the different measures we have put in place this year. I certainly never imagined last September that we would be doing this for a whole year. We are looking forward to welcoming you back in September, when we will be able to remove many of the measures we have had in place this year.

From Miss Tranter

Free School Meal Entitlement

Since September 2014 all children who are in Reception, Year 1 or Year 2 in a state-funded school have been entitled to a free healthy school lunch. The Government is giving money to schools to help children from lower income families do their very best. This funding is called 'Pupil Premium'.

Registering for free meals could raise an extra £1,300 for Cherry Lane Primary School, to fund valuable support like extra tuition, additional teaching staff or after school activities.

During the current pandemic, some parents may have become eligible but not know - it is therefore important to sign up for free school meals, even if your child is in Reception, Year 1 or Year 2, so that Cherry Lane Primary School receives as much funding as possible and your family receives as much support as possible during these challenging times.

Year 2's moving into Year 3

From September all Year 2 children moving into Year 3 will have to pay for their school lunches. The cost of the school meals are £2 per day and will have to be booked in the normal way via Parentpay.

If your child is eligible for Free School Meals or you are unsure as to whether they are entitled to Free School Meals please click on the link below (or copy and paste it to your browser) and submit the form as soon as possible.

After you have submitted the form, via the link, we will run the check on your behalf and the school office will telephone you to confirm if you are eligible or not eligible for Free School Meals.

Standard Tuition (Group Music Lessons)

Arrangements for all music lessons are subject to change in line with current COVID restrictions. In the event of school closures lessons will take place online with individual slots.

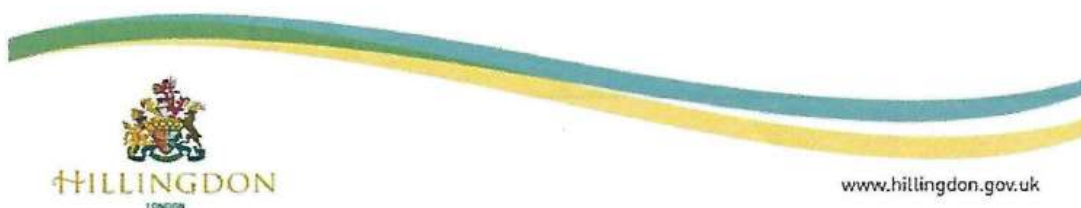

Learning to sing or play an instrument can help concentration, confidence and coordination as well as being great fun!

If your child goes to a school in the borough or lives in the borough, we can arrange for them to have music lessons during the school day at their school or on some occasions at one of our centres at various locations across the borough. Lesson times are set by the school to fit with their timetables so exact lesson times will vary from school to school. We deliver 10 lessons each term.

How much are music lessons?

If you are a Hillingdon resident, lessons cost £74.00 per term plus £21.00 to hire an instrument (hire not available for guitar, keyboard or drums). See our website for non-resident prices. Discounts are available to those on low incomes.

For families receiving Income Support, Child Tax Credit WITHOUT Working Tax Credit (income below £16,190), Income Based Job Seekers Allowance the charge is £16.00 per term plus £7.00 per term for the use of an instrument

www.hillingdon.gov.uk

How do I apply?

Visit www.hillingdon.gov.uk/startmusic

Once you complete the application form, you will be added to our waiting list and a member of our team will be in contact once a lesson time becomes available. Sometimes this will happen quickly, other times there may be a delay if there are no available times or if the school has limited time or space for lessons.

How do I pay for lessons?

You will be invoiced before the start of the first lesson. Once payment for lessons has been received Hillingdon Music Hub will provide ten lessons per term on a rolling contract, unless the lessons start partway through a term.

Can I hire an instrument?

When you sign for lessons you can choose hire an instrument. Once payment is received you can collect your instrument, details of where and when this can be done are available on our website. Alternatively you can purchase your own with our Assisted Instrument Purchase (AIP) scheme, details of which are on our website.

My child no longer wants to learn, how do I cancel lessons?

We always encourage parents to persist with lessons for at least a term in the beginning. If there are any problems with lessons, you can contact us on music@hillington.gov.uk. If you would still like to cancel tuition, we require half a term's written notice. Please refer to our [Terms and Conditions](#) for more information.
