Edition 4 Topic – Road Safety Week 14<sup>th</sup> – 20<sup>th</sup> November

Road Safety Week runs from November 14<sup>th</sup> to November 20<sup>th</sup>. The week, organised by 'Brake', a road safety charity, is an annual event and the biggest road safety awareness event in the UK.

During Road Safety Week, the police often do roadside checks of vehicles for safety, highlighting the dangers of poorly maintained vehicles and offering advice to drivers, or running speed checks and reminding the general public of how speeding is a major cause of accidents and contributor to deaths through road accidents.

Riding Stables can hold safety talks for riders who ride on the road, and members of the public can be reached through press, media, and public events that remind them of safe driving techniques, statistics relating to bad driving and road accidents, use of mobile phones at the wheel, and more.

The event has great scope to reach many people across the nation and remind them of road safety, thus potentially preventing many accidents.
